- Advertising our speakers' bureau on the Internet using cost-per-click advertising, search engine optimization, and banner advertising.
- Sending email blasts featuring speakers at the Silver level that are emailed once per month to over 2000+ proprietary subscribers.
- Delivering postcard mailings featuring speakers at the Gold level that are mailed twice yearly to a proprietary list (500+) of colleges and universities including all HBCUs and select organizations.
- Providing telemarketing services for speakers at the Platinum level. We will promote Platinum-level speakers to select conferences and symposiums throughout the country.
